Re: Visul Flex-Stone Panels

Dear Mr. Byerly:

The referenced product has been reviewed and found to meet South Carolina Department of Transportation's Standard Drawing No. 720-7. This product may be used for dry applications and will be listed on the Department's Approval Sheet No. 61 for Detectable Warning Surfaces with the information shown below:

Contact: Simon Hardman
Visul Corporation
428 Marilyn Lane
Alcoa, TN 37701
1-888-847-8539

Product: Visul Flex-Stone Panels

Application Method: Dry

Sizes Available: 12" x 24"

Notes: Available in Safety Yellow, Black, Brick Red, and custom colors

The acceptance does not obligate the South Carolina Department of Transportation to include or specify your product. It is your obligation to market this product to those who can use it. The Department reserves the right to revise or modify current specifications, as it deems necessary. Upon any changes in the specifications, you may be required to resubmit your product.

If you have any questions or changes that need to be made, you may contact our engineering support division at (803)737-1379.

Sincerely,

E. S. Eargle
Road Design Engineer
